

## ELECTRICAL AND INSTRUMENTATION TECHNICIAN

JOB REF

- **Are you a trade qualified Electrical and Instrumentation Tradesperson interested in working with LPG and LNG assets?**
- **Bring your E&I technical expertise to optimise the safe operation and reliability of company assets**
- **Permanent full time role based locally in Kwinana – flexible work arrangements will be considered**

Kleenheat has been providing energy solutions to homes and businesses across Western Australia and the Northern Territory for more than 60 years.

We're committed to delivering energy for today's customers and tomorrow's opportunities, with a focus on safe and reliable products and helpful customer service.

We pride ourselves on our values of safety, accountability, integrity, collaboration and customer focus – with an understanding that our success is underpinned by our people.

### **About the role:**

Right now we're on the lookout for an Electrical and Instrument Technician to support our Maintenance team in Kwinana. As the newest member of the Kleenheat team, you'll report to our Maintenance Supervisor.

Your focus will be to calibrate and repair various LNG and LPG assets and instruments including those on road transport trailers, bulk storage vessels and cylinder filling equipment. You will ensure that electrical and instrument plant and equipment provide the reliability that the business requires by undertaking and completing instrument and electrical maintenance and projects in a safe and efficient manner.

**The role is based in Kwinana with remote travel as required to meet operational requirements.**

### **Your responsibilities will include:**

- Ensuring safety remains priority number one by carrying out all work safely and in accordance with correct HSE and operating procedures.
- Assisting maintenance and operations in the planning, implementation and completion of both scheduled and unscheduled maintenance.
- Fault finding and rectification for electrical equipment and instrumentation system.
- Self-manage completion of discrete packaged planned campaign type maintenance or remediation.
- Carrying out installation, pre-commissioning checks and assisting in the final commissioning of electrical and instrumentation equipment as required.
- Carrying out Inspection of work, hazardous area inspections and package checks as required.
- Providing support for project meetings on conceptual analysis, hazards and operability studies and other team activities required in development and review of projects.

**To excel in the role you'll need the right mix of skills and experience, which for this position means:**

- Trade qualification and recognised licence in Electrical and Instrumentation disciplines.
- Demonstrated experience in a similar trade role.
- Strong safety focus with experience working with permits and hazard analysis.
- An ability to plan and execute your own work schedule in line with competing priorities and demands
- Great team work and excellent communication skills.

**We value our employees by offering:**

- Competitive remuneration with allocation of Wesfarmers shares and participation in our annual incentive plan.
- Employer parental leave payment up to 16 weeks.
- Ongoing professional development and career opportunities across our diverse businesses and the Wesfarmers Group.
- Salary sacrifice opportunities, including novated lease vehicle packaging.
- Access to employee benefits across Wesfarmers including staff discounts at Bunnings, Kleenheat, Kmart, Target and Officeworks and Wesfarmers Arts sponsored events.

Kleenheat welcomes people with different skills, and life experiences and encourages individuals from diverse backgrounds to apply.

We pride ourselves on developing and supporting people and recognise the importance of flexibility. When you apply, please let us know if you are seeking a flexible employment arrangement.

Please note you are required to be fully vaccinated against COVID-19 in order to commence in this role.

**Applications close: 5pm Sunday, 21 November 2021**

**Applications of a cover letter and resume to be sent to: [recruitment@wescef.com.au](mailto:recruitment@wescef.com.au)**
