

Mechanical Fitter

JOB REF XXXX

- **Provide mechanical technical expertise to optimise the safe operation and reliability of company assets**
- **Join a company that focuses on safety and the development of our employees**
- **Multiple permanent full time roles based locally in Kwinana - flexible working arrangements will be considered**

Kleenheat has been providing energy solutions to homes and businesses across Western Australia and the Northern Territory for more than 60 years.

We're committed to delivering energy for today's customers and tomorrow's opportunities, with a focus on safe and reliable products and helpful customer service.

We pride ourselves on our values of safety, accountability, integrity, collaboration and customer focus – with an understanding that our success is underpinned by our people.

About the role

Right now we're on the lookout for a Mechanical Fitter to support our Maintenance team located in Kwinana.

As the newest member of our safety focussed Kleenheat Operations team, you'll report to the Maintenance Supervisor and be responsible for maintaining fixed and mobile LPG and LNG assets. You will work on a diverse range of equipment such as gas transport tankers and gas storage and supply facilities located around Western Australia.

This will include:

- Performing mechanical fitting, pipe fitting and general fabrication.
- Providing clear and accurate inspection reports following preventative maintenance activities.
- Participating in a callout roster, responding to callouts and unplanned maintenance in a positive, helpful and timely manner.
- Periodical travel to remote mine sites to conduct maintenance.
- Providing relevant feedback to enable maintenance planning improvements in terms of cost, efficiency and equipment integrity.
- Maintaining all company assets in a safe operating condition.
- Following workplace occupational health and safety policies and procedures for hazard identification and risk assessment, and ensuring safety remains our number one priority in the workplace.

To excel in the role you'll need the right mix of skills and experience, which for this position means:

- Australian Recognised Mechanical Trade Certificate
- Strong commitment to safety
- High risk work license that may include Dogman, Rigging, Working at Heights, Elevated Work Platform and Confined Space
- High level skills in fault finding, diagnostics and repairs
- Great team work and excellent communication skills

We value our employees by offering:

- Competitive remuneration with allocation of Wesfarmers shares and participation in our annual incentive plan.
- Employer parental leave payment up to 16 weeks.
- Ongoing professional development and career opportunities across our diverse businesses and the Wesfarmers Group.
- Salary sacrifice opportunities, including novated lease vehicle packaging.
- Access to employee benefits across Wesfarmers including staff discounts at Bunnings, Kleenheat, Kmart, Target and Officeworks and Wesfarmers Arts sponsored events.

Kleenheat welcomes people with different skills, and life experiences and encourages individuals from diverse backgrounds to apply.

We pride ourselves on developing and supporting people and recognise the importance of flexibility. When you apply, please let us know if you are seeking a flexible employment arrangement.

Please note a Government Public Health Order/ Directive requiring COVID-19 vaccination applies to this position.

Applications close: 5pm Tuesday, 2 November 2021

We reserve the right to commence the recruitment process prior to the closing date. It is recommended to apply as soon as possible.

Kleenheat is a part of
 **Wesfarmers Chemicals, Energy & Fertilisers**
