

PLUMBER – BRISBANE BASED

Downer Group employs approximately 50,000 people across more than 300 sites, primarily in Australia and New Zealand. Downer designs, builds and sustains assets, infrastructure and facilities and we are the leading provider of integrated services.

As part of the Downer Group, Spotless have an opportunity for a self-motivated, reliable Plumber to join our highly successful and collaborative team based in South Brisbane. The Facilities & Asset Services Business provides integrated solutions across service and facilities maintenance and projects and has built a reputation on excellence. We're passionate about finding better ways of doing things for our customers, and for you. Find out more at www.spotless.com.au

The Role

We currently have an opportunity for a self-motivated, reliable Plumber.

The purpose of the Plumber position is to deliver plumbing and maintenance services to the TAFE Queensland Southbank campus, plant and equipment, completing all duties in a safe and efficient manner with the ability to meet performance expectations of both Spotless and TAFE. All work must be performed and completed in accordance with best industry practice and provide the best possible outcomes for both Spotless and the client.

The Plumber requires experience / knowledge in:

- Experience with time management and prioritisation of workload
- Demonstrated experience in relevant trade area – commercial
- Proven experience communicating to employees at all levels, customers and suppliers
- Previous experience within a facilities management environment desirable

Skills and Experience

- Current Queensland plumbers registration and license
- Gas Fitters license
- Drainage license
- Backflow Valve / PR2 endorsement
- Thermo Mixing Valve endorsement
- Restricted Electrical License preferred
- Current Open Driver's License
- Current First Aid, CPR and LV qualifications desirable
- Elevated Work Platform lift licence desirable
- Confined spaces certificate desirable
- Positive Notice Blue Card for Child Related Employment (or willingness to obtain)

This position requires working unsupervised, and as part of a team, to deliver a high quality trades service. It involves managing conflicting demands and deadlines through prioritisation, with high attention to detail whilst maintaining a strong customer focus.

The position of plumber requires an individual with the willingness to work flexible hours and the ability to manage their own time in order to meet deadlines.

The role is 'hands on' and requires the incumbent to perform various physical activities and manual tasks including (but not limited to) lifting, lowering, walking, bending, squatting and standing for extended periods, and using hand or power equipment.

Important with the context of this position is the requirement for the team member to perform other duties including trade, grounds and waste disposal as may be required to ensure all mandated services are delivered as per the scope of the contract.

Benefits and Culture

- Supportive and inclusive culture focused on innovative service delivery
- A professional and safe working environment
- Access to employee benefits and entitlements
- An Employee Assistance Program (EAP) that is available to employees and their family
- Emphasis on learning and development

This is a great opportunity to join a reputable company, and work with a professional team where you will be given the opportunity to develop your career.

To apply please Email CV and Cover Letter to deann.togyer@spotless.com.au

Please note: As a pre-requisite for this role all candidates need to be able to prove they are an Australian Citizen and will also be required to undertake a pre-employment medical, an alcohol and drug screen, a criminal history check and a CCYP (Blue Card) check.

Spotless is an Equal Opportunity Employer and encourages indigenous Australians to apply.
