

Refrigeration Service Technician - NSW
Job Reference - 310447

Join Australia's largest retailer in this permanent full time role based in Sydney!

About Us

The Woolworths Group is a proud, home-grown Australian business, with some of Australia's most recognised and trusted brands including Woolworths, Dan Murphy's, BWS and BIG W. We employ more than 205,000 people and are a committed business partner of many thousand local farmers, producers and manufacturers.

The Woolworths Facilities Management Service team operate around the country to support our stores, including performing day to day Refrigeration HVAC service and maintenance efficiently and with minimum disruption to our stores and customers.

The Role

As a Refrigeration Service Technician, you will ensure facilities management services to our customers are at the highest levels and ensure we operate as a Proactive, Responsive and Efficient service model. Our Service Technicians work with us on a permanent full time basis and across designated areas in a reactive maintenance capacity.

In this role, your responsibilities will be:

- Visiting various stores to perform troubleshooting, identifying issues and servicing equipment.
- Reviewing tasks to be completed
- Delivering preventative maintenance works in accordance with plans
- Completing associated paperwork
- Monitoring replacement part stock
- Liaising with our technical team on the status of tasks
- Developing relationships with our facilities management, support and technical teams, store managers and teams and our call support centre team
- Working closely with construction teams including informing engineers, planning for replacements and assisting in prioritising capital works

Who we're looking for

We're looking for someone who is passionate about going the extra mile for our stores and customers.

The suitable candidate will have:

- Ideally a trade background in refrigeration and/or HVAC with exposure to commercial refrigeration
- Current ArcTick Refrigerant Handling Licence or ability to obtain
- Flexibility to travel to various sites and to be on call as required (rostered system)
- An ability to self manage tasks as required good level of computer literacy and technically minded
- The ability to work under pressure and to tight timeframes

- Excellent communication skills
- The ability to work as a team

Why you'll love it here

In addition to this exciting role, these are some of the benefits we offer:

- Team member discounts at all of Woolworths businesses
- An attractive remuneration package including base + super + paid overtime and vehicle
- The opportunity to collaborate with some of the brightest and best minds in Australia across our brands
- Flexible working options
- Tech options - Woolworths is the largest employer of Google Apps in Australia
- An exciting career - as our business grows, so do the opportunities for our people

If this sounds like you and you want to be part of one of the most exciting journeys in Australian retail, [apply now!](#)

We value diversity and aim to create a vibrant and inclusive workforce which reflects the communities we serve. If you meet a number of the requirements (and not all), we encourage you to submit your application.
